

## **Denplan Essentials with Dr Nahida Roy**

Denplan is the UK's leading Dental Payment Plan specialist. They have consistently used a preventive approach to dental care and, with their unique and wide ranging support services, have been looking after dentists and their patients for over 27 years.

They support patients by allowing them to budget for their private dental care and encourage a preventative approach to oral healthcare.

### **Denplan Essentials at Dental Fx:**

- [Denplan Essentials](#) is a dental plan which helps you budget for your routine preventative dental care.
- Seeing your dentist regularly is important as it can help you avoid having to undergo costly, restorative treatments
- The plan is easy to set up and no pre assessment is required
- You will have a 10 % discount for any restorative dental treatment necessary (i.e fillings, root canal treatments, crowns and dentures )
- Denplan essentials also includes worldwide dental injury and emergency cover plus access to a 24 hour worldwide dental emergency helpline.

### **What does it cover?**

- 2 examinations per year
- 2 or 4 scale and polish appointments with our Hygiene team ( depending on what level you select)
- 2 routine X-rays per year
- Preventative Dental Advice
- 10 % off any necessary restorative treatment

### **What is not covered?**

Referrals out with the treatment carried out by Dr Nahida Roy

This includes:

- Perio treatment from a consultant
- Orthodontic treatment
- Facial aesthetics
- Implant treatment
- Sedation fees
